

SEE WHAT CARING CAN ACCOMPLISH

BAY STATE EQUINE RESCUE

The horses pictured below were found and cared for by Bay State Equine Rescue. BSER is an all-volunteer, non-profit organization. **Consider the difference that your caring will make** and join BSER through a donation of time, materials, or talent. Financial help is always needed. Veterinarian skills, medicines, and special diets, are essential to repair these devastated bodies. Kindness, love, and caring are free!
